Letter from the Board

Sharron Holinsworth, Director

This month I will step down from the President position however I will remain on the board and directing the social activities, and of course decorating the Clubhouse. John Gast will now take over the position of President, Wayne Potter will remain Vice President, and Ray will remain Secretary/Treasurer. Tom will still be a head of the Architecture Committee.

The Open House, held the last weekend of June, was a big project. We cleaned all the lots and they look great. We did have some "looky loos" and lots of traffic coming by the park. Thank you to all the volunteers that took shifts for this Open House event.

This month we had a Luau for our themed dinner. We decided to have a catered affair and we had 15 residents, future residents and friends attend. It was a great success. Next month we're going to have a "Western Hoedown" themed dinner to celebrate the 4th of July and summer. Details TBA. So get your cowboy boots and get ready to "Boot Scootin Boogie." You know I always have surprises for everyone who attend our dinners. This dinner will also be catered and Rita will actually be our caterer. There will be a flyer about this dinner, but it is so important that if your going attend PLEASE RSVP. The cost for this dinner is

The pool and spa are now open for everyone's use. We've had some inquiries about starting up "Chat by the Pool". If you're interested in this, please let me know.

We now have six homes for sale, five homes in for permits and three lots recently sold to prospective residents. We now have an add in "The Senior Today" magazine encouraging people to check out our community.

If you have any ideas about new activities please let me know.

Until next month,
Sharron
