Letter from the Board

Sharron Holinsworth, Director

Well with this new job of mine I really didn't have time to do a July newsletter, so I'll combine July and August.

Not really all that much is going on so far. In July we did have our Western Hoedown dinner and it was catered by Rita. I have to say the dinner was restaurant quality. Thanks Rita for a fabulous dinner.

For August we had an "End of Summer" dinner. We had rotisserie chicken, corn on the cob, broccoli and bacon salad and ice cream sundaes. So I hope everyone will join us on September 19th for our Taco Night, as we have a couple of surprises for everyone

On a sad note, one of our residents Cathy Sylar passed away from cancer. She and her husband Steve have only been residents for a short time but we send our deepest condolences to him and his family.

We started "Chat by the Pool" again every other Tuesday. The next one will be on September 3rd at 4 pm. Also the ladies have started a birthday get together at a local restaurant once a month and if you're interested please contact Rita.

You'll notice several homes for sale. The market is very slow throughout Butte County, but as the interest rates come down and the weather cools down hopefully more people will be out looking to buy homes.

We do have two new upcoming residents that have ordered their homes and their projects should be starting very soon. So by year end we may have more families living here with us.

Until next month,

Sharron
